

ChargePack EV

You have an exciting opportunity to connect to Australia's renewable energy revolution. A way to help save tomorrow's environment and save increasingly on your energy costs into the future. It all starts by making Bradford Energy a part of your build.

370 Watt HiKu Canadian Solar Panels

- Super high performance power Mono Perc module
- Black module for enhanced aesthetic
- Low power loss in cell connection
- Module efficiency 20.00%
- Better shading tolerance
- Manufacturer's Product Warranty: 12 years*

SolarEdge Electric Vehicle (EV) Charging Inverter

- World's most efficient inverter > 99.2%
- Combine sun and grid power for 4X faster charging
- EV-ready solution, compatible with multiple EV connectors
- DC optimisers maximises the potential of every solar panel
- Manufacturer's Product Warranty: 10 years*

Tesla Powerwall

- Rechargeable lithium ion battery with thermal temperature control
- Supported applications: Solar Self-consumption, Back-Up, Time of use.
- Energy use: 13.5kWh
- Power: 7kW peak, 5kW continuous
- Specs: 1150mm x 755mm x 155mm, 125kg
- Manufacturer's Product Warranty: 10 years*

Tesla App Monitoring

- Enjoy connecting directly to your smart home.
- Seamlessly monitor and automatically manage your solar and Powerwall anywhere with your intelligent monitoring app

*Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Smart homes save with solar

Electricity Savings

Calculate your solar savings at:
bradfordenergy.com.au

Self Sufficiency

Reduce your daily dependance
on the grid.

Carbon Savings

Significantly reduce your
carbon emissions.

Charge

Combine solar and grid power for
faster EV charging.

The Bradford Advantage

Backed by an ASX Leader:

A trusted home-grown company for more than 85-years and backed by CSR.

Quality Installers:

We are committed to industry best practice, our Tesla & CEC accredited installers provide you with the highest standard of service.

Clean Energy Council Partnership:

Bradford Energy is a founding signatory of the CEC Code of Conduct, so you know we take sustainability seriously.

Cutting-edge Technology:

We provide the world's best solar systems. We've earned a reputation for working with the highest quality materials & suppliers.

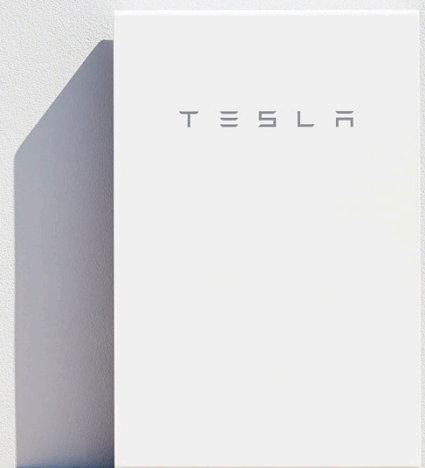

10-year Installation Warranty:

We will be there long after installation.
That's what we call the Bradford peace of mind.

Concierge Service:

We provide Australia wide support throughout your solar journey, from call to install and beyond.

You and Bradford Energy.
Saving tomorrow.
